Special to the Indianapoits Journal. COLUMBUS, O., Sept. 16 .- The Hoosiers got away with the second game here, but fid not have to go the entire game to take the contest. After five innings of play, two of which were pulled off in a hard rain, Haskell called it a game and a lowed the vistors to go off the field with the score 4 to 1 in their favor. It was the only thing to do, but it was a bitter pill to the Senators, who have been losing regularly. Heas, the new third-baseman from Rockford, Ill., was tried out in place of Tamsett, who was released last night and to-day started for his home. Hess had the first chance of the game, and did his work nicely. Owen also warmed up. The pair look a little nervous, but with a little course of trainng with Watkins they will turn out all right. The visitors scored their runs in the second and fifth innings. In the second nning Leslie's single and errors by Wagner and Gleason, with another hit by Kihm, alou walked, stole second and then Mellor hit a single to center, scoring Bannon. some exciting scrimmages resulted. Coach Cutts had four teams on the field and each able form and made it all the more apparent that the personnel of the first eleven is by no means unalterable. Thomas, the Marion High School star, trying for the position of full back, displayed great ability in advancing the ball. He played with the 'varsity and was one of the few members of the team that could move the leather an inch against the stubborn defense of the second team. In mass plays Thomas managed to find a hole at each attempt and once he wriggled out of the heap and ran for a twenty-yard gain, Holter, playing full back for the scrubs, preventing him making a touchd wn The scrubs were given the ball first and made the required distance but once. Then they were obliged to punt and Adams, who is trying for varsity quarter back position against Captain Osborne, made a fifty-yard kick with ease. Holter and Adams have thus far shown up best in the punting line, none of race at Hawthorne to-day by a neck from | the regulars on the 'varsity having shown the 30-to-1 chance, Christine A., this being any great strength in this respect. In addimerman and Mowrey, proved themselves consistent ground gainers. But few mass plays were tried, a majority of the plays being around the ends. Joe Knapp, who was injured Monday in practice, was out on the field but could not use his knee-well enough to get into the game. Coach Cutte kept the 'varsity at work for half an hour, putting in fresh scrub teams every 10 minutes. The 'varsity was unable to score against any of the opposing teams, but managed to advance the ball more and more as it limbered up. Leslie and Powell ran down punts well and Powell stopped several end runs. Allen and McManus at guard positions were like adamant. There was no yielding in the line despite the frequent onslaught by the scrubs. Riebel and Furr played guards, the latter having been chosen by Cutts in preference to Long, who was playing the position in signal practice. Hamilton at center proved himself a veritable keystone. He is not as heavy as Davidson, last year's star center, but he handles himself well and manages to open holes for the backs. Osborne at quarter back is the speedlest man in the eleven. Coach Cutts is practicing the quarter back run permissible this year, and Osborne will probably be called on frequently to run with the ball. After the scrimmages Coach Cutts made every man on the squad run around the track. To-day the 'varsity again

lined up against the scrubs. For threequarters of an hour play continued.

Manager Leslie, of the athletic association, to-day announced that he had secured a game with the Englewood High School eleven, of Chicago, to be played on Stuart Field in this city Sept. 26, one week from Saturday. has a strong team.

Special to the Indianapolis Journal. SOUTH BEND, Ind., Sept. 16 .- Football work opened up in earnest at the University of Notre Dame yesterday. The squad of candidates out for this season's team was small, but during the day Lonergan and Nyere, the two crack ends of last year's team, returned, and the prospects for a good dleven took a turn for the better. Fansler is expected to-day, and he will be a valuable man, as he played a good game at tackle several times last fall when a sub was needed. Gillen will not be back. and it is thought that Fansler will have a good chance for tackle this year. Steiner, Salmon's find for tackle, will be here, and is

looked for daily. McGlew did not put on a uniform yesterday, but at this afternoon's practice Mc-Glew, Salmon, Nyere, Lonergan, Cullonan and Silver, all old men, were out. New students are slow to come out and try for the team, as the squad has been small and there has not been much enthusiasm

aroused yet among the spectators along the side lines. The work to-day was very light. Salmon had his men out for a long time catching punts, and was drilling some of the new men on falling on the ball and in starting when the ball is snapped. Conway is show-ing up well, and it is highly probable that he will be a formidable candidate for one of the vacant places behind the line. Manager Daly and Captain Salmon are both feeling better over the brightening prospects, and if matters improve during the next two weeks as they have since Sunday, the outlook for the 'varsity will
